THE REASON WHY.

The olden times the mode houses were made like the modern tobases being the twenthern to a be held houses being the twenthern the besides took up most of one wide of the belief and when there was not much live several children could sit in the corner of it at one time.

When a boy indectaved or missed a lession the teacher would make him put a dunce cap on his hard and stand in the corner on a dinner whole if the how cried the teacher would make him put a dunce cap on his hard and stand in the corner on a dinner whole if the how cried the teacher would have another boy enter the tears in his booking.

The way the boys got their Christmax holiday was to get to school soon and lock the teacher on and threaten to duck him if he did not give them the holiday.
